About AMA

Whereas most collaborative working tools quickly reach their limits once outside the office space, AMA enables experts to work remotely with frontline workers using a secure software platform combined with video tools that are perfectly tailored to each business.

With nearly seven years' experience in remote assistance solutions, AMA helps industry and service providers of all sizes, as well as medical establishments, to accelerate their digital transformation. Deployed in more than 100 countries, AMA's assisted reality platform, XpertEye, addresses a wide range of use cases, from remote diagnostics to inspection, planning and workflow management. Its unique solutions for remote interactive collaboration enable businesses and institutions to increase productivity, speed up resolution times and maximise uptime.

AMA is an international company with offices in France, Germany, Romania, Spain, Italy, the United Kingdom, the United States, Canada, China (including Hong Kong) and Japan. AMA has a global presence and works across all time zones to forge close relationships with its clients wherever they are. AMA is listed on Euronext Growth Paris (GB00BNKGZC51 – ALAMA).
